*(Please sign one per child)*

Pursuant to law, we will not release any personally identifiable information without prior written consent from you as parent or guardian. Personally identifiable information includes student's name and photo.

Our school website often publishes student artwork, bulletin boards, and some writing assignments. The website will only list a student's first name and grade. If your child's picture appears on the website, no name will be used. The Beacon and Hunterdon Democrat often photograph events at our school. If your child's picture is taken, they request that first and last name be printed along with the picture.
